Voluntary Interdistrict Choice Corporation Board Meeting Highlights • October 8, 2021

In actions at their October 8 meeting, the Board of Directors of the Voluntary Interdistrict Choice Corporation

- Approved minutes of the June 11, 2021 VICC Board regular meeting.
- Approved all preliminary 2021/22 routes for transporting students to and from school. VICC expects to transport about 3,318 students using 166 buses and 95 taxis. This represents a decrease in both bus and taxi routes from 2020/21 due to the combined effect of decreased overall enrollment, combining certain elementary routes, placing students in higher capacity taxis and a number of out of area students who could not be placed in area.
- Approved submission of the 2022 MUSIC Renewal Questionnaire. VICC has purchased its property, liability and workers' compensation insurance through the self-insured MUSIC pool since 1999. Board approval of the completed Renewal Questionnaire is a requirement of the pool.
 - Approved the filing of VICC's IRS Form 990 for the year ending June 30, 2021.
 - Approved Tami Webb becoming a VICC employee effective November 1, 2021, thereby reducing transportation management fees due to reduced cost related to Tami's salary and benefits.
- Reviewed the summary of investments. As of August, 2021, \$10,787,244.69 was invested as follows: 42.27% in US Government Agencies - MOSIP Fund and 57.73 percent in collateralized repurchase agreements.
- Reviewed reports on VICC's financial position:
 - For the 2020/21 fiscal year, revenues totaled \$41,972,573.01 while 2020/21 final expenditures were \$32,539,536.34. When combined with a beginning of the year fund balance of \$3.9 million, the net effect of these variances resulted in a \$12.6 million fund balance at year-end. This is important for VICC's long-range projections which count upon the availability of fund balances in later years to help maintain per pupil funding at certain minimum levels.
 - For 2020/21, \$6,271,036.85 in revenues were received during August, the second month of the 2021/22 fiscal year. Expenditures for that period were \$468,099.71.
- Received an update on COVID-19 and the CDC "Guidance for COVID-19 Prevention in K-12 Schools".
- Received a report on the status of applications to date. Districts were allocated 175 spaces for the 2021/22 school year with an emphasis on siblings. There were 178 actual placements. The number of applications received -- 330 -- declined from previous years due to targeted recruitment based on remaining availability after sibling applications had been received. Actual enrollment of city transfer students for 2021/22 is 3,105, as of September 30. In comparison, county to city (magnet) applications were limited to siblings and therefore were somewhat low compared prior years. For 2021/22 year-to date applications total 14, compared to 15 and 26 in 2020/21 and 2019/20, respectively. New acceptances to date of 13 for 2021/22 up from 12 in 2020/21, decreasing county enrollment to 85 from 124 last year.
- Discussed the targeted spaces for 2022/23 which will be due by November 8, 2021. The total allocated spaces for 2022/23 is limited to 150.
- Discussed a schedule of tentative agenda items planned for each of the meetings scheduled for 2021/22.
